Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: \_\_\_\_\_  
The services specialty pharmacies provide to me are not available from  
commercial pharmaceutical manufacturers, nor most local pharmacies.  
No one else has been able to help me. My quality of life has drastically  
improved with the help of out-of-state care. Please do not restrict.
